K-3 - Lesson Plan #2-A

## Reduce, Reuse, Recycle!

Dear Families,

We are learning about caring for the environment by reducing, reusing and recycling. At school we listed ways we could reduce, reuse and recycle in our classroom. Please take time to make lists of what your family can do at home to contribute to a healthy environment. Remember one way to recycle is to send in your used printer cartridges and cell phones. We can send these in to Green School Project to make money for our school. Here are the definitions for the words we learned today.

Reduce - to use less

Reuse - to use again

Recycle - to make new

Here are 3 ways we can reduce at home:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Here are 3 ways we can reuse at home:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Here are 3 ways we can recycle at home:

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

---

**Parents!** Help our school raise money while helping the environment. Send in your empty printer cartridges and old cell phones from home or from work to be recycled.
